

The Experior Advantage

In business since 1978, Experior Healthcare Systems is one of the nation's most-trusted healthcare information companies.

Experior specializes in comprehensive information systems for the healthcare industry. Our clients include:

- Ambulatory Surgery Centers
- Regional Medical Centers
- Multi-specialty Group Practices
- Single-specialty Group Practices
- Single Provider Practices
- Hospital Outpatient Clinics
- University Health Centers

We have worked closely with our clients through the years to incorporate their ideas into our product development and future goals. Experior continues to provide thousands of providers with trusted experience, innovative solutions, and unparalleled service.

Experior products are installed using **Open Architecture**:

- Microsoft Windows Server
 - ◆ Microsoft .NET
 - ◆ Microsoft SQL Database
 - ◆ ODBC Compliant Query Tools
 - ◆ SSRS
- HL-7 Standards

Experior Benefits:

- Full detail conversions
- Customized programming
- Business and technical consulting
- 24/7 live technical support
- Detailed project management
- Flexible training options
- On-line documentation
- Annual User meeting
- Client-driven product development
- Interfaces with industry leading medical records systems

Trusted Experience. Innovative Solutions. Unparalleled Service.

At Experior Healthcare Systems, we enhance our software annually with the features our users require to remain competitive in today's healthcare environment. We are diligent in implementing HIPAA rules and maintaining compliance.

Experior's commitment to provide clients with quality products and outstanding services goes far beyond the initial installation. As part of our partnership, we offer a portfolio of services that includes technical consulting, custom programming, and business consulting services.

When it comes to healthcare information systems, no one takes better care of you than Experior. For more information on Experior products and services, call our Business Development Team at 800-595-2020.
